Grapevine, Texas – Patriot Mobile is joining the nation’s most committed pro-life advocates on Saturday, June 24th, in Washington, D.C. to celebrate life!

The 2023 National Celebrate Life Day falls on the one-year anniversary of the historic Dobbs decision that overturned Roe v. Wade. This one-day event will honor past heroes and recommit to protecting every preborn American from the injustice of abortion.

“The Fourteenth Amendment to the United States Constitution states that our government may not deprive any person of life,” said Leigh Wambsganss, Patriot Mobile’s Chief Communications Officer. “Patriot Mobile is so committed to protecting innocent life, that the Sanctity of Life is one of the four pillars of our company.”

On Saturday, June 24th, the National Celebrate Life Day Rally will be from 10:30am to 12:00noon on the steps of the Lincoln Memorial. Inspirational speakers include Alveda King, niece of Martin Luther King, Jr. and founder of King Ministries; Kristan Hawkins, President of Students for Life of America; Shawn Carney, President and CEO of 40 Days for Life; Penny Nance, CEO and President of Concerned Women for America, and many more. That evening, the National Celebrate Life Day Gala will honor the present and past pro-life warriors who have worked tirelessly in the pro-life movement. This event is not just a celebration but the passing of the torch for the next steps to protecting innocent life in America.

“Patriot Mobile is committed to protecting innocent life, so much so that we have contributed over \$500,000 to the pro-life cause, and our employees volunteer with pro-love groups supporting women in crisis pregnancies,” said Jenny Story, Patriot Mobile’s Chief Operating Officer. “We hope you will join us for this important event, where our very own Chief Communications Officer, Leigh Wambsganss, will be speaking on the steps of the Lincoln Memorial.”
